

WHAT TO PLANT NOW

September

Plants grown in pots can generally be planted at any time of the year, provided the proper care is applied for the first few months. Keep in mind that not all plants are available all year round. Town and Country Gardens stocks many plants that are 'in season', ie are flowering or putting on their best colour. Below is a list of some examples of seasonal plants that are available and can be planted at this time of the year. Please keep in mind that this is only a guide and may vary.

- Azalea
- Citrus
- Hibiscus
- Nasturtium
- Passionfruit
- Penstemon
- Rhododendron
- Salvia
- Verbena
- Wisteria
- Annuals: Alyssum, Aster, Chrysanthemum, Marigold, Petunia, Zinnia
- Bulbs: Canna, Dahlia, Daylily
- Herbs and Vegetables: Asparagus, Beans, Beetroot, Carrot, Cucumber, Eggplant, Herbs, Lettuce, Parsley, Peas, Pumpkin, Radish, Sweet Corn, Tomato
